

Introducing: Stratosfare

Skyline Rotorua proudly introduces **Stratosfare** - the newest hotspot on Rotorua's burgeoning foodie scene.

Stratosfare offers a dining experience to delight all of your senses, beginning with the luxurious Italian marble, granite, schist stonework and timber that build the scene and the David Trubridge lighting that frames your dinner setting.

Our skilled chefs craft your meal as our cocktail connoisseurs mix and muddle your drink of choice at the bar. While you relax, you can also drink in our incredible 180-degree panorama of Lake Rotorua and the city.

Did we mention the menu? Our range of cuisine will tantalise your taste buds, from the tidal mussel tank, ensuring the freshest mussels you can find, to the flame rotisserie, aged prime cuts, Art of the Grill custom cooking station, seasonal salads and delicate crepes.

Featuring a stunning array of freshly prepared buffet and cooked-to-order dishes highlighting locally sourced seafood, meat and the freshest New Zealand produce, Stratosfare will take you on a gastronomic journey.

We work in partnership with local NZ farmers and growers who share our commitment to food excellence, from the pasture to the plate. Our award-winning Wagyu Angus cross fillet steak is just one example.

Our prime beef comes from 16,000 hectares of coastal farms near Gisborne. The people of Mangatu Farms have been working their ancestral lands for more than 200 years. They can tell us exactly where the beef has come from, how it was reared and what it was fed.

It's the little details like these that set our dining experience apart.

Stratosfare Restaurant & Bar is located at Skyline Rotorua, Fairy Springs Road, Rotorua. We are open Monday to Sunday for lunch beginning at 11.30am and dinner commencing from 5.30pm.

Pricing is from \$54 per adult for lunch, including return Gondola journey, and dinner from \$64.00 per adult.

We know you'll enjoy every moment of your dining experience at Stratosfare and we look forward to welcoming you soon.
